Wanted: Garden Volunteer

The garden at TVES is underway. We are excited here to be planting for a fall harvest. This year we have planted popping corn, pumpkins, squash, carrots, and greens.
Over the summer we will need some volunteers to stop in and check on the garden. With many volunteers, our work is easier.
Would you be willing to check on the garden one time this summer? You would have to pull weeds and water, if necessary. The students at TVES, including your children, would greatly appreciate a small bit of your time.
If you can help out, please email Amy Swanson at aswanson@dves.k12.vt.us.

Registration

Below is a link for new student registration. If you have any questions, please call Mrs. Kingsley at 802-464-5177.

Schools Out For Summer!

Our last day for the 2020/2021 school year will be Friday, June 18th. This is a half-day of school 8:15-11:15. We will be having our traditional field day so please make sure children are prepared with outdoor water gear. Unfortunately this year we will NOT be having a picnic. There will be pm bus transportation and lunches sent home if your student orders lunch that day.

Sunflower House Project

Second and third graders have started a wonderful Sunflower House project. The idea for the sunflower house started as a seed. Ms. Shirley and Ms. Jutras grew this seed idea into a project for the second and third graders to follow into their next grade this fall.
Near the picnic tables alongside the front of the school building will grow a ring of sunflowers for students to enjoy going in this summer. If your child is joining the Wings Summer Program, they will see the ring grow. Inside the ring will be a space enclosed by the sunflowers to enjoy. Please check it out over the summer and try the book The Sunflower House by Eve Bunting.
