Wanted: Garden Volunteer

The garden at TVES is underway. We are excited here to be planting for a fall harvest. This year we have planted popping corn, pumpkins, squash, carrots, and greens.
Over the summer we will need some volunteers to stop in and check on the garden. With many volunteers, our work is easier.
Would you be willing to check on the garden one time this summer? You would have to pull weeds and water, if necessary. The students at TVES, including your children, would greatly appreciate a small bit of your time.
If you can help out, please email Amy Swanson at aswanson@dves.k12.vt.us.

Registration

Below is a link for new student registration. If you have any questions, please call Mrs. Kingsley at 802-464-5177.

Schools Out For Summer!

Our last day for the 2020/2021 school year will be Friday, June 18th. This is a half-day of school 8:15-11:15. We will be having our traditional field day so please make sure children are prepared with outdoor water gear. Unfortunately this year we will NOT be having a picnic. There will be pm bus transportation and lunches sent home if your student orders lunch that day.
